Objectives of the Exhibition

The main objective of book exhibition is not only getting recommendations, but it can also play an important role in developing the reading habit among users and bringing the college community together.

- The main purpose of this exhibition was to acquaint and familiarize the students to the collection available in the library. This is one way to inculcate and promote reading habits amongst the students.
- To provide an open platform to college staff members/students to know recent editions of published books on their subject area/discipline.

-
- To facilitate review and recommend the books for the Library to strengthen the collection.
 - To develop the reading habits among the college fraternity.

Outcome of the Programme

- More than 600 titles were displayed in the exhibition. Faculty members and Students visited the exhibition. Total 313 users visited the exhibition.
- Users came to know about the variety of collections available in the market on Mathematics and competitive examinations and other relative subjects.
- Many suggestions/recommendations came from faculty members as well as students, which would be incorporated in the following book exhibitions.
